PO BOX 814

Appleton, WI 54912

Hello Parents and Players,

Preparations for the 2025 season (our 99th year) are underway. There will be changes with some new staff and field enhancements to make the playing experience a good one for our athletes. The schedule will consist of 25-28 games per team, starting around June 10th. The Legion season is a quick one in Wisconsin, consisting of roughly 6 weeks of games.

We hope to have 3 teams in 2025 (2 JV and 1 Varsity). This of course is based on registration numbers and that's where you can help us. In order to schedule, hire qualified staff and plan, we are asking all players to sign up by November 15, 2024. The registration form can be found on our website <http://appletonlegionbaseball.org/signup.html> The cost of the 2025 Legion program is \$650.00 and this includes transportation to and from games. We require a minimum of \$325 when you sign up, with the balance due by January 15th, 2025.

Appleton Legion Baseball is open to all athletes who currently attend or will be attending Appleton North, Appleton West or Xavier High School. We look forward to you being a part of the program!
