

Welcome to Appleton Legion Baseball!

About us

Appleton Legion Baseball is a 501 (c)3 non-profit organization dedicated to providing youth with the opportunity to play baseball and grow as young men.

Appleton Legion is open to freshman through senior athletes who currently attend Appleton North, Appleton West or Appleton Xavier High School.

Registration

We are implementing an early registration period for the 2026 season. This will provide us with an early look at the number of players interested in participating at each level. This will allow the program the opportunity to complete the season schedule before the end of the calendar year.

TEAMS

We are hoping to offer 3 teams in 2026. Tryouts/assessments will be conducted if the registration numbers dictate the need.

Junior Varsity (16 & under) - up to 18 players

Junior Varsity (17 & under) - 12-15 fulltime players & 3 pitcher only spots

Senior Varsity (19 & under) – 12-14 fulltime players & 4 pitcher only spots

Coaches

It is the goal of Appleton Legion Baseball to staff the most qualified individuals to lead our teams. The program will determine the number of coaches needed each year based on the level of participation at each age level.

What can you expect

All teams will play a schedule of 20-25 games. Games will start in early June and end late in July.

Most games will be played Sunday – Friday, however teams may play in a weekend tournament.

Practices will be held during the week on off-days.

Home games will be played at Don Hawkins Field, 3220 W College Ave, Appleton, WI.

Extras

Each player will be provided with a team hat, jersey and t-shirt.

Players will be responsible for their own pants (white with navy piping, belt and socks).

The anticipated cost of the 2026 Legion program is anticipated to be \$650. **Families will be expected to volunteer in the concessions stand.
